

# MI-UCP ASSISTIVE TECHNOLOGY TALKS

This presentation will be an overview of the driver rehabilitation process, accessible vehicle modifications and equipment, and related information.

**October 12, 2023** – *Speaker: Clayton Jewell, OTRL, CDRS, CDI*  
“Driver Rehabilitation: Promoting Community Mobility and Independence”

*Clayton Jewell is a Licensed and Registered Occupational Therapist, Certified Driver Rehabilitation Specialist, and founder of Automobility Driver Rehabilitation in Grand Rapids. He has been a practicing therapist since 2012 and specializes in providing clinical and behind-the-wheel evaluations, training, and consultation in adaptive driving and community mobility for individuals with a wide range of abilities.*

*The talk will offer a basic understanding of the driver rehabilitation process, including evaluation, training, and licensing requirements. Participants will learn about various vehicle modifications, adaptive driving equipment, funding for driver rehabilitation services as well as adaptive vehicle equipment.*

**Session will be from 10:00 a.m. to 11:15 a.m. via Zoom**

Register in advance to reserve a spot (use the same link for all monthly AT Talks):
